

## Hospital Indemnity

Hospital indemnity insurance offers protection in the case of critical and sudden need for care. With this benefit, the employee in question is paid a predetermined amount each day they're in the hospital.

## Paid Time Off / Remote / Flexible Work Location

One of the most popular benefits for many years in a row now, the desire to work remotely, or have more paid time off has only increased since the pandemic.

## Identity Theft Protection

The Federal Trade Commission reported a near-3,000% increase in federal fraud complaints this year. Offer preemptive protection for an effective incentive.
